18 December 2020

Dear Parents and Teachers,

With Christmas coming up, I want to acknowledge that this has been an extremely difficult year for the entire Leeds Chinese Community School. Our volunteers including the teaching and committee members, our students, parents and I want to make sure you take this time to rest and use the Christmas break for some much needed relaxation.

Over the past year our students and teachers have actively taken part in cultural competitions and I am very pleased to discover that many of you have won. Please see below the list of winners.

Registered Charity Number 516097

Congratulations and well done to all the above.
Certificates and prizes will be presented to all the winners when we are permitted to return to school.
There will be more cultural activities/competitions in the coming year, and I hope as many of you as possible will take part and enjoy them.

Our next term will start on 10th January 2021 and our teaching will remain online until the end of the academic year. Thank you all again for working extremely hard to keep the school going, and I hope that you all take care of yourselves over this Christmas period.
I wish you all a great holiday and I very much look forward to seeing you all again. Have a Happy and Healthy 2021!

Best wishes

Joyce
