Dear Parents,

Firstly, thank you for support in your child's online learning for the start of the new term.

As half term draws closer, I am writing to confirm arrangements for the rest of the academic year.

Grammar School at Leeds (GSAL) has informed us that they will not be able to let out the premises for the rest of this academic year. This is due to the day to day management of the school and the sanitising and cleaning requirements as well as people's anxiety around the Covid 19 pandemic in general. This is also because of the management of positive tests if they occur within the school, and changes to the whole school operating timings as well as reducing the multi-use of areas as much as possible.

As a result, LCCS will continue online teaching for the rest of the academic year. It has been, and continues to be an extraordinarily difficult time for all of us. Our teachers have been putting an immense amount of effort into preparations and teaching for the year ahead. I hope you will continue to support your child with their online learning at LCCS.

Kind regards

Joyce
